

**ANIMAL SHELTER HELPERS
Dog Rescue Service**

ADOPTION AGREEMENT

Date: _____

The animals available for adoption come to us in a variety of ways. All animals are examined and their health monitored while they are in our care. However, due to stressful situations under which many of these animals come to us, there is always the chance that an animal is incubating a disease without showing clinical signs. Therefore, we strongly recommend that you schedule a visit with your veterinarian within SEVEN DAYS of the adoption date. **ANIMAL SHELTER HELPERS DOG RESCUE SERVICE** believes this animal(s) to be in good health, but does **NOT GUARANTEE** the health of any animal or assume financial responsibility for future veterinary costs.

I understand and agree with the above statement: _____
